

Benefits that Measure Up

Covalent Metrology Services, Inc has been in operation since 2017. Our teams don't just supply reliable technical data, but **we're proud to partner with customers** learning about their needs and helping them understand the 'why' and 'how' of their results.

Not only are our teams talented beyond measure, they're also a genuinely kind, quirky, and helpful bunch.

Covalent staff **enjoy a number of benefits** beyond a competitive salary that include:

- A full compliment of medical, dental and vision plans including an HSA option. The company shares a portion of family coverage as well as employee coverage.
- Private Short-Term Disability pay
- 401K retirement Plan
- Stock Option Grants
- Eight holidays annually with an additional floating holiday
- PTO starting with 3 weeks in the first year and increasing in years 3, 5 and 11
- Additional and separate Sick pay
- Support of life issues with paid bereavement & jury duty time
- Spot award and employee referral programs
