

Benefits that Measure Up

Covalent Metrology Services, Inc has been in operation since 2017. Our team doesn't just supply reliable technical data, but **we're proud to partner with customers** learning about their needs and helping them understand the 'why' and 'how' of their results.

Not only is our team talented beyond measure, they're also a genuinely kind, quirky, and helpful bunch.

Covalent staff **enjoy a number of benefits** beyond a competitive salary that include:

- A full complement of life, medical, dental and vision plans including an HSA option. The company shares a portion of family coverage as well as employee coverage.
- Company paid Life Insurance for the employee with a buy-up option and Dependent Life options.
- Private Short-Term Disability pay
- 401K retirement Plan
- Stock Option Grants
- Ten holidays annually
- PTO starting with 4 weeks in the first year and increasing in years 3, 5 and 11
- Support of life issues with paid bereavement & jury duty time
- Spot award and employee referral programs
